

WellBrain

Do you... Prescribe opiates? Perform SCS or PNS? If, YES! It's time for WellBrain

With WellBrain's easy to use iPad platform:

- ❑ Complete the REQUIRED psych screening for patients taking opiates.
- ❑ Offer NON-OPIATE modalities as required by CDC/State Med Board.
- ❑ Streamline & EXPEDITE the psych clearance process for SCS/PNS.

WHY WellBrain?.....the Benefits

- ❑ **Happy Providers!** Peace of mind knowing you are complying with opiate prescribing guidelines and it's reimbursable.
- ❑ **Happy Staff!** Easy to use platform saves time when administering psych assessments for procedure scheduling.
- ❑ **Happy Patients!** Patients can complete the necessary psych assessments needed for compliance and clearance at YOUR office.

How it works

- ❑ Patient completes iPad psych assessments.
- ❑ Report is immediately generated for review and insurance submission.
- ❑ Patient is sent link for prescribed mindful meditation.

Trial the platform free for 2 months to see how it can add value to your practice and help your patients. If you're not 100% satisfied, then simply return the iPad and you will not be charged.
